Subject: Conditional Acceptance of Amendment to Notice of Intention to Commence Small Mining Operations, Sevier County, Bull Hill Claim Rock Quarry, S/041/0037, Sevier County, Utah

Dear Mr. Hunt:

The Division finds your amended Notice of Intention (NOI) to Commence Small Mining Operations complete, conditional upon your submittal within the next 30 days of the following documents:

- 1) Revised replacement pages for the NOI summarizing the approved amendment. Although the information provided shows the location of the operations, the format of the written information you provided does not match the existing NOI forms. The appropriate form can be found at http://linux1.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html.
- 2) Amended Reclamation Contract (see attached)

This additional information should be submitted using form MR-REV/SMO-EXP which can be found at https://fs.ogm.utah.gov/pub/MINES/Minerals_Related/FORMS/MR-REV-SMO_EXP.pdf. Upon receipt of your completed NOI forms, we will return to you a copy of the approved NOI for your records.

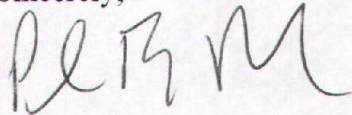

You are now permitted to conduct small mining activities as outlined in the amended NOI, provided you have approval from the Bureau of Land Management and all other appropriate agencies. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.
